NOTES & DEFINITIONS

NOT INCLUDED: The Beaver County, Kane County, Piute County, and Rich County Bookmobile libraries do not have fixed facilities and are therefore not included here. The Helper Library did not respond to the study.

GROWTH FACTOR 2010 service population / 1999 service population

GROWTH AREA Additional space needed to provide current level of services for population anticipated for 2010
Calculated by multiplying the growth factor times current area, then subtracting current area

FUNCTIONAL NEEDS AREA Additional area required to meet today’s program needs
Needs identified by librarians; space calculated by applying standard unit allocations
Note that requests for additional shelving area for existing collection types have been treated as part of “growth” needs; only shelving for new collection categories is listed in this section.

¹ The Uintah Basin Bookmobile Library, located in Duchesne, provides service to Uintah and Daggett counties, as well as serving as the Duchesne Branch of the Duchesne County Library. Service population and holdings listed are for the Duchesne site only, where the fixed facility is located.

²The Wayne County Library, located in Bicknell, serves Wayne, Sevier, and Juab counties. Service population and holdings listed are for Wayne County only, where the fixed facility is located.

TOTAL AREA NEEDED v. LIBRARY STANDARDS

AREA SUMMARY:
LIBRARIES SERVING 2,500 OR FEWER PEOPLE
